This book is AWESOME. It is one of the funniest books I've ever read. I found the part with the Chinese food delivery man ESPECIALY funny!!!You've got to read this book

My Thai high school EFL students LOVE these skits. They are pretty short 10 - 20 minutes, and totally hilarious. They are full of stuff from the Bible, but most of the aren't that preachy. There are a couple of comments about "racially insensitive" parts to this book. First of all, it's been removed. The skit is no longer in there. Second of all, from the excerpt... I can assure you that my Asian students and family members LOVE that sort of humor.. and the PC police seriously need to retract their comment. Because it doesn't even apply anymore. My favorite skit is the one based on John 9, where Jesus spits in some dirt, makes some mud, puts it on the blind man's eyes and the blind man's sight is returned to him. There's a bit about a "seeing eye camel" helping the blind man get to the Pool of Siloam so that he can get the "spit-mud" off his face... and it is amazingly funny. I will likely buy more books from this series.

I've been a youth pastor for ten years, and a drama ministry leader for several years before that. This is one of the best resources out there for leaders looking for solid scripts they can use with their ministry.

I have used several of the skits for my drama group 7th and 8th grade and they liked most of the

skits. The Adam and Eve skit I would say is the best. Worth buying

As a senior high youth leader at my church, I found this book to be very helpful. We put on a Youth Sunday every year and in lieu of a sermon, my kids choose to do a skit or two. We were able to find some great ones that fit well with the all inclusive, love and justice mission statement of our church, which is proving harder than I had anticipated. Definitely worth the buy.
