Cheating On My Husband: With His BIG Work Colleague

Synopsis

A wife cheats on her husband at the office party while her husband is downstairs! When forty-something Emma's husband decides that smoking cigars with the other yes men while at his office party is a better idea than keeping his wife company -- Emma is propositioned by the office rugby playing hunk who is twenty years her junior. At first she says no, until Bradley mentions his superior equipment. Emma is taken to an office with a familiar photo on the desk, and soon learns that in some instances, bigger is definitely better! A short cheating hotwife story of approx 4000 words. If you're familiar with other books by Gemma, you'll know what to expect inside!

Customer Reviews

GREAT READ SHORT AND VERY SEXY. I really like cheating spouse stories but the this had a real element that that situation could really happen, which made it even better.
