# Falling Hard For Fifty Shades: A Tribute To The Sexy Book That Stole Our Hearts

## Synopsis

Ever wonder why we fell so hard for Fifty Shades of Grey? In FALLING HARD FOR FIFTY, author A.C. Rose followed her own "fangirl" curiosity to take a deeper look at why many of us became so passionately addicted to the love story between Christian and Ana -- and what made Christian and Ana so addicted to each other! Sure, we, like Ana, fell for Mr. Grey -- the brilliant, breathtakingly handsome, Alpha, self-made billionaire. His sexual skill and romantic devotion made us tingle. He's been melting panties around the planet for several years. But there is "more." Woven into the story are brilliant enticements for all the senses and romantic situations to stir our hormones, grip our hearts, and capture our minds. FALLING HARD FOR FIFTY takes a look at attraction, desire, and falling in love through the experience of Christian and Ana -- and traces the arousing roller coaster ride readers took right along with them. It takes a peek at what made the story and the characters come alive and seem so real. \* Discover the truth about how the brain perceives fictions\* Hear about why the erotic triggers in the book enticed all our senses\* Find out why Ana was so intoxicated by Christian's scent\* Learn about the love chemicals stimulated by that first meeting, and first kiss\* Check out the explanation for the 'electricity' between the characters\* Grasp more insight into the impact of all of their multiple orgasms\* Read why women love Christian Grey's dominance\* See what fans say about why they fell so hard for Fifty

## Customer Reviews

This book was an interesting read. I'm glad to find out that I am one of millions of fans literally obsessed with Fifty Shades of Grey...I am not alone! Lots of insightful thoughts and interviews are included to give us readers a glimpse as to the why we are all hooked on this book and Christian Grey. I for one wish Ms. James would write the series all in Christian's POV.
