# Span:Catechism Of The Catholic Church (Spanish Edition)

Synopsis

Here it is -- the first new Catechism of the Catholic Church in more than 400 years, a complete summary of what Catholic throughout the world believe in common. This book is the catechism (the word means "instruction") that will serve as the standarad for all future catechisms.The Catechism draws on the Bible, the Mass, the Sacraments, Church tradition and teaching, and the lives of saints. It comes with a complete index, footnotes and cross-references for a fuller understanding of every subject. Using the tradition of explaining what the Church believes (the Creed), what she celebrates (the Sacraments), what she lives (the Commandments), and what she prays (the Lord's Prayer), the Catechism of the Catholic Church offers challenges for believers and answers for all those interested in learning about the mystery of the Catholic faith. Here is a positive, coherent and contemporary map for our spiritual journey toward transformation.The Catechism of the Catholic Church is, as Pope John Paul II calls it, "a special gift."

Customer Reviews

Realmente extraordinario. Todas las dudas que tenemos se aclaran en una edició n ordenada y

con un Ãndice fantÃ¡stico. Material indispensable para crecer en la FÃ©. DecÃa San Anselmo que para crecer en la FÃ© se debe conocer mÃ¡s y para conocer mÃ¡s hay que leer con FÃ©. Se lee de forma amena y con muchÃsimas referencias a paralelos bÃblicos. Trae todos los temas relevantes en estos tiempos a consideraciÃ³n a la luz de la FÃ©.

Dos libros son indispensables y necesarios en todo hogar catÃ³lico: la Santa Biblia, por ser la Palabra de Dios, y el Catecismo de la Iglesia CatÃ³lica, un compendio de la doctrina de 21 siglos de la iglesia cristiana mÃ¡s numerosa del mundo.

This book explains all the catholic catechism in all their parts in detail. Is approved by the Vatican so was prepared by the Vatican Council of JPII. Is in depth information apart from the other books you can find in catholic book stores.

Por fin un buen Catecismo, es pequeÃ±o y alcansa en caulquier maleta o bolso pero eso no es todo las riquesas que guarda este pequeÃ±o libro son innumerables, muchos textos de referencia, bien ordenado, muchas listas importantes que pueden ayudarte a comprender mejor tu fe, yo me decidi comprar uno para mi oficina, cualquier duda que se presente saco mi pequeÃ±a arma secreta El Catecismo de la Iglesia CatÃ³lica.

this the kind of book I need to get my study going and to get on the right track with my life.

Gift for a Spanish reading co-worker, as requested by him. Since I only fluently read in English it would be unfair to comment on the translation.

I am going through the process of my confirmation and it has come in handy when looking up terms that I know nothing about it.

This small book is so good, I can carrier it any time any where I go....So helpful !! thanks.
