Becoming His Toy (Mind Games Book 1)

Synopsis

All she wanted was a little excitement but now the fantasies in her mind are tumbling out to a perfect stranger. Will she find her bliss or has she made this biggest mistake of her life?*****The mind is the playground of Jacob White. The world-renown hypnotherapist and psychologist has ways to allow people to just relax and open up to their darkest secrets. Katelyn Bates doesn't even believe in hypnosis until she's persuaded to go to a hypnosis gathering with her best friend Justine. What she finds is more than swinging watches and cheese trances. Jacob seems to curl up in her mind and pull her towards him in an unnatural way. Sticks and stones may break bones but his words could captivate her until all she wants to be is his pleasure toy. Publisher's Note: Mind Games is a series of novellas which contain explicit sexual content, graphic language, and situations that some readers may find objectionable. Adult themes may include: mind control, public humiliation, spanking, orgasm denial, experimentation, bondage, and other forms of punishment. All characters are consenting adults over the age of 18.
