Customer Reviews

Since there are no reviews here, and the book's description is not very descriptive, I think people should know this short story is anti-gay propaganda. I'm sorry I contributed \$1 to this author, and I don't want anyone else to unknowingly do so. The author is literally putting words in Jesus' mouth, anti-gay words that Jesus never said. It's pretty messed up. Even if you don't support LGBT rights, supposing what Jesus would have said about a subject he didn't touch on seems morally questionable.
