4.5 STARS This is a continuation of Sam's best seller, Taken by Two. To understand this book fully

it is best to read that book first. I do greatly recommend these books. I love this threesome. They have stolen my heart! Sam took three individual people, brought them together in a unique way, in a beautiful relationship in the first book and now in this book they are facing some unique trials that are testing the strength of their love for each other. Luther, a man from Rex's past, is brought to their compound almost dead and Rex and Penny work to save his life. While Nate and Rex befriend him easily, Penny has an uneasy feeling about him. It soon becomes clear to Rex that Penny should trust her instincts and always stay close to Nate and Rex as long as Luther is around, until he leaves. Throw in the fact that Nate's sister is being stalked by an abusive husband and things get kind of crazy with their lives. Lies, deceit, jealousy, insecurity, and then we see how strong their love is to get to the truth to FIGHT for LOVE and MARRIAGE. When I mentioned lies, deceit, and jealousy, let me clear up that NONE of that was from these three. They never do that to each other. But outside influences, for a short time, try to break them apart. But, there is SO MUCH MORE to this BEAUTIFUL story that you DO NOT want to miss!!! Sam also knows how to write some beautiful, yet, INTENSE love scenes. So, you might not want to be at work while reading this book! *smiles* Her male/male, male/female/male and male/male/female scenes will leave you particularly...tingly. And let me emphasize there is ALWAYS love involved, not just sex, because these three are DEEPLY in love with each other. There is a lot of action and scenic scenes as well.
