Meal preparation might be a bit difficult when you are running out of ideas and recipes in your memory bank. It might be harder when you are wanting to go on a diet. This book will help you make the right kind of decisions. The book allows you to discover the step by step process in achieving your ideal body figure at the same time making you aware of the exact amount of nutrients, fats, carbs and proteins your body needs. The recipes inside this cookbook can be made easier and the contents of which are already measured for you not to exceed the daily limit. Its absolutely a nice book for preparing meals and the variety of options are delictable!

I got curious with the title of the book so I bought it. I was wondering what was with meal prepping. This book discussed the benefits of planning in advance the meal that would be prepared to save time and cost. Basically, meal prepping is essential for practical reasons. The author have included different recipes to choose from. The manner of presentation is different from other recipe books such that it has nutritional facts each meal. However, since the book is about meal prepping, and one of the ideal presented is cooking in bulk and eating left overs, the measurement of each ingredient should have been converted to bigger quantity that could produce bigger quantity that could last for days. Nonetheless, the book is something new to read.

This book will help you how to have an ultimate meal prep. This cookbook will provide you healthy, clean and tasty food that you and your family can enjoy. A very informative book regarding the so called "Meal Prepping". I got so many ideas after I have read this book especially on how to cook healthy food with the right amount and the right calories for the body. It encourages everyone to prepare meals for the week with the calories needed therein. It has so many recipes to choose on and it has very detailed information regarding the process of cooking, the ingredients, and on how to store it correctly. A nice book and guide in cooking healthy food. Go for a healthy lifestyle by eating the right kind and amount of food!

A good book is really designed to help all who wish to throw off excess weight. The author has collected great recipes that will not be so detrimental effect on your body, as in the case of diets, but rather with the correct and balanced diet will help you find the perfect shape and fold the excess weight. A good book I recommend recipes.
