Customer Reviews

In her second book of the `Alaskan Quest' series Peterson continues the saga of the Barringer siblings, Leah and Jacob, in an exciting entry that will stand completely alone. After a lengthy journey traversing the Alaskan territory newlywed Leah Barringer Kincaid walks into her home to discover her husband's identical twin brother Chase, a murderer, whom both her husband and brother are chasing. Kidnapped by Chase who preys on Leah's protective instincts she is reunited with the insufferable Pinkerton Agent Helaina Beecham whom Chase had already kidnapped. Leah wants

only to escape but Helaina's focus is solely on bringing Chase to justice. When Helaina falls critically ill, Leah attempts to reason with Chase in trying to bring him to an understanding of her loving God but after Chase sexually assaults Leah even her faith in God in letting such a monstrous thing happen to her is severely tested. Partly blaming Helaina for all the bad things that happened to her, Leah's faith in God, her rage over the injustice done her and her battle for vengeance vs. forgiveness would be tested in innumerable ways as would her husband Jayce as he continues the pursuit of his brother. Later as Helaina recovers, she begins to gain a better understanding of the damage done by her impulsive and selfish behavior has caused to the people around her. With gentle guidance from Jacob Helaina comes to discover an inner strength and a new spiritual awareness of God. Even more so, Helaina would find herself tested as she realized that Jacob was a man worth fighting for when she learned she must find and save him from a cruel Alaskan 'iced-in' winter.
