Kate & Blake Vs The Ghost Town (Kate & Blake Cozy Mysteries Book 1)

Synopsis

Kate Becker came back to her little home town in the California mountains for peace, quiet, and the opportunity to do some good as the local public defense attorney. It's not a hard job - nothing much happens in Whispering Pines. Until the local ghost town is picked to be the site of a major new resort, with two developers bidding for the rights to build there... until one of them is murdered! Even if her fiancé, Sheriff's deputy Blake, is on her side, the powers that be want to railroad her client to make the problem go away, so Kate takes up the investigation herself. Everyone's against her, but Kate is determined to find the truth even though it might cost her her job... or her life!

Customer Reviews

I see that this book has some negative reviews but I found it a very enjoyable and fun cozy. Yes, Kate can be a little annoying but I enjoyed getting to know her and her quirks. The plot kept me involved and reading and it wasn't until the very end that I knew "who dun it". I felt it was well written and look forward to reading more by Ms Kahn. (For me 4 stars is a very good rating - I only give 5 stars to books that I feel are absolutely exceptional)

Dakota and Blake's relationship is full of sparks, laughs, and obvious commitment. It works to their advantage as they "have each other's back". while solving the murder from different directions. Toss in some paranormal bits and western myth, and you have a heck of a read! Several proofreading errors kept my rating lower.

Not to many reviews--yet. I've never reviewed a book, but here goes. This book was extremely well-written! Never mind the typos, a few grammar and spelling errors. Quick-moving plot - I was never bored. Humorous, witty self-narration by the main character, Kate. I really liked her! Narcissistic, no! Refreshingly real, yes! She poked fun at herself, and described her feelings and the situations in which she found herself, with words that did not cater to a limited, simple vocabulary. I loved the author's writing style. I didn't know who committed the murders until it was revealed at the end. Great read! I highly recommend this book, and this author. Can you tell that I was impressed? You bet! Very glad I downloaded this free, clean read on . I think we'll be hearing more about author Dakota Kahn!

What would you do if you knew someone didn't do the crime they were accused of? Kate jumps in with both feet pulling Blake right along with her. A great quick read with intrigue and humor.

The grammar and word usage problems and the narrator's narcissism I could maybe live with if the story had any merit. But come on. You seriously expect us to believe a lawyer--someone who passed the California bar exam--is THIS stupid? Unreasonable.
